

# Cross Butts Stable Restaurant

## ACCESS STATEMENT

### Introduction

Cross Butts Stable Restaurant with Courtyard Rooms has a large restaurant leading to smaller dining areas and a garden restaurant and has the ability to take both large and small functions. The restaurant looks out over the beautiful Esk Valley.

Next to the restaurant is the courtyard which leads to 9 well appointed rooms.

### Location

- Cross Butts is located 1 mile out of Whitby on the A171 Whitby – Guisborough Road.
- Whitby is a quaint fishing town steeped with history and has breathtaking views. It has become one of the busiest tourist hotspots in the U.K.

### Arrival & Car Park Facilities

- Our rooms are available from 3 p.m.
- We have a large car park with ample coach parking and we have disabled parking which is only a matter of yards from the entrance.
- We have a list of local taxi firms at reception – just ask our staff, they will be happy to help.

### Public areas – General (Internal)

- Enter from the garden side to the reception, bar and first restaurant.
- Wedding couples can enter through the large stained glass stable doors which are directly in front of you as you walk from the car park.

## **Public areas – continued...**

- The first restaurant leads into the garden restaurant which is on the right hand side. The Hayrack Dining area is through the door at the far end of the first restaurant, which then leads to another large dining area.
- We have three sets of stairs, one in reception and a spiral staircase in the Hayrack Dining area and stairs near the lift which all lead to a comfortable coffee lounge with sofas and comfortable seating, ideal for Christenings, Funeral Teas etc. together with beautiful views over the countryside from the windows. This also leads to a private dining room which seats 12 people and is ideal for a small party.
- Our toilets which include a disabled toilet are all on the ground floor.
- Our lift is situated opposite the toilets.

## **Rooms**

**Stables 1, 2 and 6 are all on the ground floor. Stables 4,5,7,8 & 9 are gallery rooms which have a lounge area and shower room on the Ground Floor and the Bedroom upstairs.**

**All rooms have telephones and tea and coffee making facilities.**

### **Room 1**

Double en suite room, designed to accommodate the less able. It has a walk in shower, widened doors and a handrail for easier use of the toilet. None of the furniture is built-in so that it can be easily moved around for people who have a wheelchair or mobility scooter.

### **Room 2**

Double en suite room. King sized bed with beautifully crafted Oak headboard together with shower room. This room is special adapted for use by the deaf. It has a flashing fire alarm which flashes red and also vibrating pillows which can be connected to the fire alarm.

### **Anniversary Stable 3**

Anniversary gallery suite with King sizes bed, lounge area with 42" flat screen TV & bathroom complete with 6 jet whirlpool bath & separate shower.

### **Gallery Stables 4,5,7,8,9.**

Double gallery suites with wrought iron beds, a lounge area with fireplace and a shower room.

### **Anniversary Stable 6**

Is a large ground floor Anniversary suite with a King size Oak four poster bed and lounge area with a 42" flat screen TV. The bathroom is complete with a large 8 jet whirlpool bath and separate shower.

We can provide you with helpful items to make your stay more comfortable with us. You only need to ask, we will help wherever possible.

### **General Information**

Pets are not allowed in our accommodation.

All the restaurants are on one level with the exception of the Glass Garden Restaurant which has one step down to it internally but has access for wheel chairs from the garden area!

In short all our dining areas at Crossbutts are wheelchair accessible.

The lighting in all our restaurants is very subtle with no spotlights.

We welcome your feedback to help us continuously improve:
