

The Stables at Cross Butts

*Lunch Menu
Served 12-6*

“Where Town meets Country”

Since opening The Stables in November 2004 we have made it our aim to share with you the beef, pork and lamb from farmers within Yorkshire, 5 years on we are still doing this and much more, our list of local suppliers is evolving almost on a daily basis. The local producers who provide us with the pick of the crop, the leanest cuts and the catch of the day are proud of what they produce and we're proud of them too. Please enjoy your dining experience.

John & the team.
